EVORA

HOME IS WHERE YOU **FIND YOUR PEACE**

And that is the whole essence of Bhavya's Evora. It is like an island of tranquillity that has emerged like a brand new way of life in the heart of the buzz. Greenery in every possible shade and as fresh as possible, Evora at the edge of the Financial District is like nothing Kollur has ever experienced.

A LIFESTYLE DESIGNED THE BIOPHILIC WAY

It's a seamless world, where your home and nature are woven together in an inseparable fashion. There are no boundaries to where the green ends and concrete begins. For the occupants of Evora, every moment is connected to the natural environment, natural elements and natural spaces.

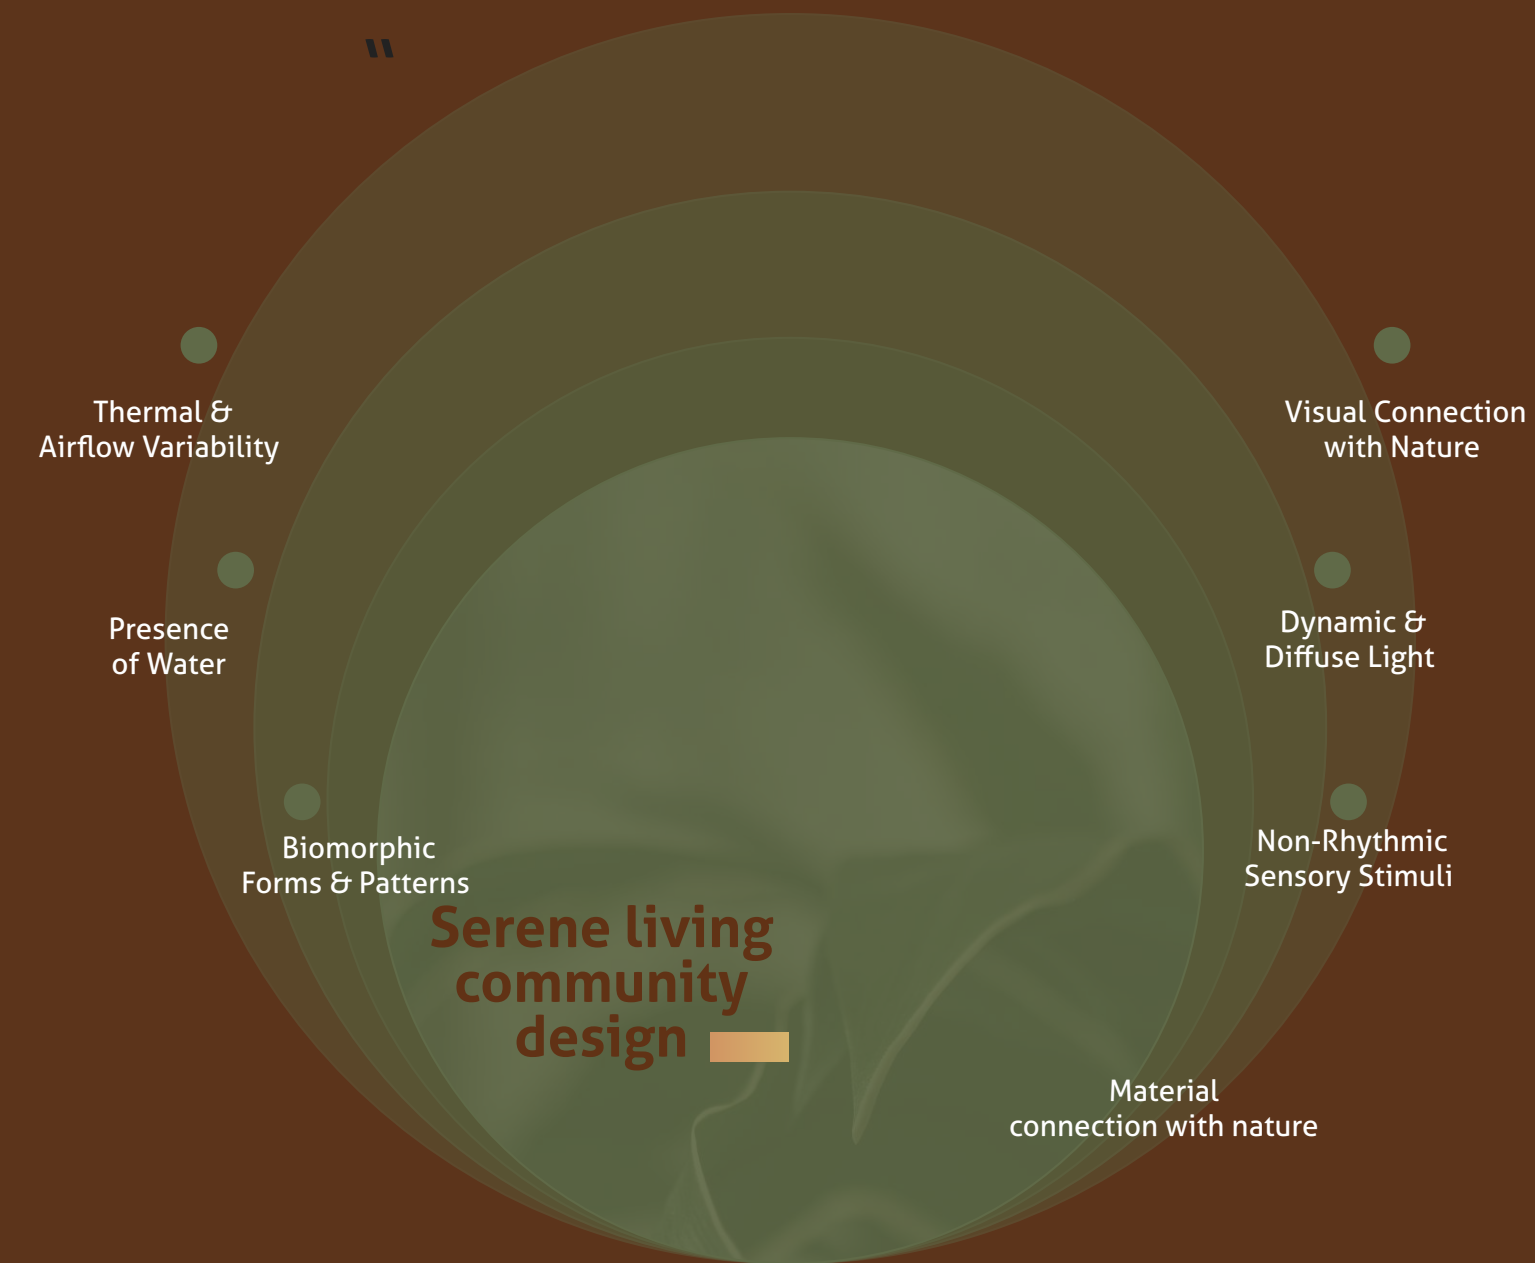

...and you stop every once in a while to admire the lilies, say hello to a floating cloud and bask in the sunshine on a carpet of green. Your body is refreshed and your soul is recharged
